ABOUT THE FOUR CORNERS MUSEUM NETWORK

As Arizona, Colorado, New Mexico and Utah share a common border, so too do they share an appreciation for the arts and humanities. The Four Corners Museum Network (FCMN) serves as a platform to increase public awareness of the benefits of museums that reflect the unique character of the Four Corners Region.

The FCMN objectives are accomplished by through promotion of member institutions and events; fostering formal and informal exchange of expertise through quarterly meetings, professional development, training, and learning opportunities for membership; and development of a collaborative environment for grants and other funding resources, exhibits, and learning.
