

P. O. Box 2411,
Denver, Colorado,
July 30, 1925.

To: All Hydras, Great Titans, Furies, Giants, Exalted Cyclops,
Terrors and Klansmen, Realm of Colorado.

Faithful and Esteemed Klansmen:

There are many matters that I would like to take up with each Exalted Cyclops, but as I have just recently set up my office I find so many things to handle that my office force can not handle all our correspondence as we would like to. However, there are two or three important matters that I wish to advise you on, as follows:

In one or two cases men who were formerly Klansmen, but now belong to an Organization antagonistic to us, have been permitted to enter Klonklaves and discuss their principles upon the floor of the Klavern. These men have no more right to enter a Klan in Klonklave Assemblies than a member of any other fraternal organization who is not affiliated with us. If there is any doubt as to a man's loyalty, he should be denied entrance into any Klan meeting.

I have found out that a great many Klansmen have not had access to the "Constitution and Laws of the Knights of the Ku Klux Klan." A member of any Fraternal Organization should familiarize himself with the working rules of that Organization, and all that desire copies of such Constitutions and Laws should be able to secure them.

We have a supply of the Constitution and Laws of the Knights of the Ku Klux Klan, and any loyal member of this Organization is entitled to a copy and may secure same by making requisition through the Kligrapp of his Klan and remitting 10¢ for the booklet. The Kligrapp will in turn transmit his order to us and we will give our utmost attention

We find that our mailing list has had some changes and in order that we may have an up-to-date list, we ask that you kindly advise by return mail the name and address of the Exalted Cyclops and Kligrapp of each Klan, the residence address and phone number, and the business address and phone number. Also advise the address to which mail should be addressed. We would also like to have the meeting night and place of meeting of your Klan. Your prompt attention to this matter will be very much appreciated by the undersigned and will enable this office to give better service.

I will be glad to meet with the officials of every Klan in this State as well as the loyal members, and explain many matters of vital importance. If there is anything that I can do for you, please call on me.

Sincerely yours, In The
Secret, Unfailing Bond,

H. C. HOFFMAN,

IMPERIAL REPRESENTATIVE,
Realm of Colorado.
