Mr. L. J. Halverson, Sr.,
Bayfield, Colorado.

My dear Mr. Halverson:

Just a line to convey to you my appreciation of your efforts in entertaining me when I was at Bayfield. I certainly enjoyed myself, and the fish were fine. After relating my experiences at Bayfield to the Grand Dragon, he was more sorry than ever to have missed the meeting.

I have told the Grand Dragon especially about those husky Kluckers who do your private fighting. Now we have this situation confronting us at the Pueblo meeting for the Imperial Wizard, September 6th: The dagoes and the rest of the foreigners have threatened to break up the parade and kill the Imperial Wizard. This is authentic, but we are not going to be intimidated by any such talk. We are going to parade just the same and our Imperial Wizard will lead the parade. Now, here is where you and your private fighting men come in. The Grand Dragon would like very much, if possible, for you to recruit about eight or ten husky Kluckers like the ones you pointed out to me when I was in Bayfield, bring them to Pueblo, and we will use them as a body guard for the Imperial Officers. We must have men who are entirely fearless and whom we can depend upon, and the Grand Dragon feels that the Bayfield Kluckers are the boys for the job.

Kindly let us know if it is possible for you to furnish this body guard. I am taking the matter up with you as I did not meet your Exalted Cyclops. As I understand it, you told me he was either out of town on business or ill. Therefore, I am leaving it up to you and trust that we may hear from you soon.

Sincerely yours, In The
Sacred Unfailing Bond.
