

OFFICE OF THE
IMPERIAL REPRESENTATIVE

REALM OF COLORADO

P. O. BOX 2411

DENVER, COLORADO

August 13th, 1925.

Mr. Clyde W. Akers,
Kligrapp,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

Mr. Wright, of Grand Junction, and National Lecturer,
Dr. Johnson, advise that you have been handicapped in
the work at Bayfield on account of your not having
been supplied with Charter Supplies. This is to advise
you that we are forwarding you a complete set of Altar
and Secratorial supplies via Am. R. R. Express. These
are sent you gratis as the National Organization supplies
one set of these to each Organization.

We were under the impression that you were Chartered
but according to Mr. Wright you have never received your
Charter. Our records show that your number is 69. If
you have never received your Charter, we will ask Atlanta
to prepare a duplicate Charter and send to you as the
same was evidently issued.

Sincerely yours, In The
Sacred Unfailing Bond.
