Mr. Clyde W. Alers,
Kligrapp,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

Mr. Unsell reported that you sent in one hundred subscriptions to the Kourier Magazine, but you have not as yet received the April or May issues. The editor of the Kourier Magazine states that your subscriptions were received too late for the April issue, but you should have had the May issue long before this time.

If you have never received the papers, kindly advise.

Sincerely yours, In The
Sacred Unfailing Bond.
