P. O. BOX 120

CANON CITY, COLO.

December 19, 1927.

Mr. Clyde W. Akers,
Kligrapp,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

We have received your order for 400 copies of the leaflet The Ku Klux Klan Makes an Observation on the Presidency. There has been a considerable demand for these leaflets and as a result we are temporarily out of them. We have, however, ordered an additional supply and as soon as the new supply reaches us we will be glad to fill your order in full. Meantime we are sending you about 125 copies--all that we have at this time. We are sending these to the address of Mr. M. L. Cummings as you requested.

Sincerely yours, In The
Sacred Unfailing Bond.

Fred G. Arnold
