REALM OF NEW MEXICO

FARMINGTON, NEW MEXICO

Mr Clyde W. Adams
 Esteemed Klansman

Your letter with transfers rec'd.
 I have stamped the certificates
 of transfer, but since I'm sending them
 to you first, I had a letter from
 Frank Talmadge Jr of Roswell saying
 that "at this time I had no right to
 issue transfers," so you had better take
 them as provisional transfers and if accepted
 vote them in with the understanding
 that more valid transfers are to follow.

Thank you for your invitation
 to join Bayfield or Durango, I may do so
 later. Would be glad to help if I could or to
 accept your help here. I was surprised
 at the outcome of the last election. It looked
 as tho those who didn't vote decided it. That is
 one trouble with these people of the U.S. They don't
 care to accept duty or responsibility for anything
 fraternally - F E K K L
