Mr. Clyde W. Akers,
Kligrapp,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

I have your letter of April 11th asking for information on "The White Rider". "The White Rider" is not a Klan picture, but is a very good film carrying a good story with the usual romance in it, and along with the picture are several reels of Klan parades and sketches of Klan work, and on a whole, we believe the picture is of much benefit to the Klans in which it has been shown. This is absolutely a private enterprise, and Mr. H. L. Pennington of North Platte, Nebraska, has leased the film and is touring Colorado at this time. If you will address your communication to Mr. Pennington, he will get in touch with you.

Mr. Pennington seems to be a very high class gentleman in all his actions, but a few days ago we received a notice from the Grand Dragon of Nebraska that he had been suspended. We wrote asking the reason but he had not received a full report from the North Platte Klan. We give you this information so that if you do get in touch with Mr. Pennington, you will not reveal any Klan secrets to him.

Sincerely yours, In The
Sacred Unfailing Bond.

Fred G. Arnold
