Mr. Clyde W. Akers,
Kligrapp,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

The attached carbon copy of letter indicates our handling of your order for supplies.

Inasmuch as we did not have all the supplies, we transmitted the order in its entirety to Atlanta.

It is not the policy of the National Organization to allow a Klan to have two seals, and we therefore ask that you express the seal you have to Mr. N. N. Furney, 2621 Peachtree Ave., Atlanta, Georgia, advising this office when done. There is a possibility that you will be given a small credit on the old seal, but we cannot speak definitely on this.

Sincerely yours, In The
Sacred Unfailing Bond.

Fred. G. Arnold
