XXXXXXXXXXXXX
IMPERIAL REPRESENTATIVE

August 7, 1925.

Mr. Forrest E. Graves,
Exalted Cyclops,
Bayfield, Colorado.

Faithful and Esteemed Klansman:

This is to advise you that we are dating National Lecturer Dr. Campbell for a meeting with your Klan on Wednesday, August 26th. This is the only available date that we can conveniently date a man at Bayfield and we ask that you kindly make all arrangements for the meeting. If it is impossible to secure a Hall, make arrangements for an outdoor meeting.

Kindly notify and urge all Loyal Klansmen to attend this meeting as many matters of importance will be taken up. We are depending on you to notify all Loyal Klansmen of the surrounding Klans of this meeting as it will be impossible to handle such notification from this Office. If there is any doubt as to a man's Loyalty to the National Organization, he should be denied entrance to this meeting.

Dr. Campbell will wire you the time and train that he will arrive on and we will appreciate your having a Committee meet him. We are desirous of making this one of the largest meetings ever held in your part of the State and know that we will receive your complete cooperation.

LOYALTY IS THE PREFERRED STOCK OF THE KNIGHTS OF THE KU KLUX KLAN.

Sincerely yours, In The
Sacred Unfailing Bond.

H. C. Hoffman
IMPERIAL REPRESENTATIVE.
REALM OF COLORADO.
