IMPORTANT POLITICAL MATTER

My dear Sir:

You have been interested in the work of the Ku Klux Klan and in what it is trying to do. The Klan has a great task before it this fall.

Its enemies are organized to break it if they can. Americanism and Protestantism are now more seriously threatened in Colorado than they have ever been. We believe that we can count on you to help stem the tide of Shoupism, alienism and Romanism.

If you are interested in voting with our White, Gentile, Native-born, Protestant American Organization for the welfare of America, we shall be glad to have your help. Get in touch with the writer or the Kligrapp of the local Klan and they will give you the information concerning the men we have endorsed for office and whom we would like to have your help in nominating.

Sincerely yours, In The Sacred Unfailing Bond.

Mr. A. P. Pierce
Bayfield, New Mexico

Dear Mr. Pierce:

Your letter inquiring about Roy McBey was duly received.

On the 9th of this May a girl—Glody Globle of La Plata, New Mexico, unmarried—gave birth to a girl baby. She named Roy McBey of Bayfield as the father of the baby. She stated that he was the father of the child and would pay all hospital and doctor bills.

To make the matter worse—if possible—this girl at time of beginning last August was only 17—was an orphan girl and the daughter of Roy Meboy’s wife’s dead sister. I understand that the baby is at A. P.
being kept by some relatives. The girl’s people have attempted to cover the thing up both on her account and on account of her aunt—the wife of Roy McCoy but the whole thing seems to be gradually coming out.

Very truly yours,

E. D. Douglass
