Not what it was painted

Postcard number: 63

Publisher/ Photographer info: Murray Jordan Denver, Colo.

Description: This postcard is a black and white print of a couple at a kitchen table. The wife is sitting on the right hand side with her hand holding her chin up while gazing at a nearby picture. On the left hand side of the table the husband is turned away from the wife while intensely reading the newspaper. Behind the couple there is a picture of them all dressed up (potentially wedding day) gazing into each other's eyes lovingly. To the far right hand side of the postcard there is a blank spot and on it there is a printed saying, "Not what it was painted."
